

UNF CUWiP Scavenger Hunt

These clues lead you to a place or thing. Take a picture of it with you and your teammates. This hunt will **not** lead you outside campus, into parking lots, or make you to cross any roads.

1. Find the faces of the UNF Physics Department.
(Hint: Check this building. Building Number = $10x$, where $x^2-3x+4=14$)
2. “The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.”
3. Find a seat amongst the bamboo forest.
4. Find a “Healing Place”
5. Take the stage at Coxwell Amphitheater.
6. Stand among the flags of our nation.
7. Outside of the Library you will find your place in the world
8. “Happiness is when you think, what you say, and what you do are in harmony”
9. Across from building 39 lies an ancient way of telling time
10. A sculpture pleasing to the ear is by the building of engineers
11. Between Boathouse Lake and Lot 3 lies a rack of electricity
12. A bike rack that came from the sea is by the building of Biology
13. To find what you seek, search through the knowledge of those who came before us.
14. Look for a place of quiet refuge hidden amongst the bustling hive of scientists
(Hint: This place can be found by question 1.)
15. A tiny glimpse of rolling plains and fields is found in this place.
16. To find what you seek, look to where the osprey makes its roost
17. The key to this clue can be found in an odd-looking sculpture.
18. Look for the sculpture that portrays the beauty of mathematics
19. You will find a blue circle above the chicken feed
20. The world, a sphere, is found in a garden, surrounded by green
21. The boy on a bike, delivers news within a castle of glass by the water
22. The stairs that lead up, will take you away from campus
23. If you look for a place to see a stage, the door is waiting for you
